

California Department of Education  
**Diagnostic Center, Southern California**  
4339 State University Drive • Los Angeles, California 90032 • (323) 222-8090

## **SPEECH-LANGUAGE PATHOLOGIST**

**2020-2021 Academic Year**

Join the Diagnostic Center's transdisciplinary team and help make a difference for students, families and schools throughout Southern California. Diagnostic Center services are provided by a top-notch team of professionals, including school psychologists, speech/language pathologists, educational specialists, motor specialists, clinical psychologists, and developmental pediatricians. Working as a team, these professionals address the unique educational needs of Southern California's most difficult-to-serve students enrolled in special education programs.

### **MINIMUM QUALIFICATIONS**

- Master's Degree in Communicative Disorders or Speech-Language Pathology & Certificate of Clinical Competence (CCC-SLP)
- California Clinical or Rehabilitative Services Credential or Speech-Language Pathology Services Credential (or eligibility for)
- Minimum of three years public school experience as an SLP; additional experience in non-educational settings also valued
- California driver's license and ability to participate in occasional overnight travel

### **HIGHLY DESIRABLE SKILLS**

- Knowledge of and expertise with a wide range of formal and informal educational assessment methods, curriculum and program planning for students with mild to severe disabilities and/or Autism
- Knowledge of and experience with school-based communication interventions and programs
- Experience with AAC/AT
- Ability to work independently and collaboratively within a professional team
- Outstanding oral and written communication skills
- Experience in consulting or providing staff development to educators
- Experience working with culturally diverse populations
- Bilingual Spanish
- Experience in programming for students in inclusive settings

### **TYPICAL RESPONSIBILITIES**

- When working on-site, at the Center: weekly, assess two children with highly varied needs; interact with their parents; observe and confer with your colleagues
- When working in the field: provide consultant service to members of IEP Teams at public school sites
- Compose and present meaningful and practical reports used by educators for students ages 3-22

### **BENEFITS**

- Annual Salary range: \$78,900.00 – \$107,028.00 for 209 days; Monthly: \$6,575 – \$8,919.00 (entry based on your present salary) includes \$400.00 Recruitment and Retention pay per month
- Medical, dental, vision, and retirement benefits (STRS/PERS)
- Opportunity to work collaboratively with highly competent individuals from other disciplines (e.g., physician, clinical psychologist, education specialist, school psychologist)
- Professional work environment including well-equipped private offices

**OPEN UNTIL FRIDAY, MARCH 13, 2020:**

**Please submit completed application, letter of intent, resume, two letters of reference, and copy of credentials to:**
